

Caregiver Support Group

1st Thursday of the Month

2:00 - 3:00PM

147 N. Center Street

Plainfield, IN 46168

Caregiver Support Group

Are you taking care of a spouse, child, parent, sibling, friend or neighbor? Whether you help out full-time or for a few hours a week, caregiving is hard work and can be a strain on your emotional, psychological, financial and physical well being. Maybe you work outside the home at the same time, or have a family to care for also. Maybe you're just too exhausted to keep up with it all. We understand that caregiving requires much time and energy and can be a lonely and isolating experience. Even in the best of situations, caregiving can be a challenge.

We are hosting an informal monthly meeting for caregivers. This will be an opportunity to share your experiences and concerns and learn from other caregivers in a similar position. We will meet monthly at The Gathering Together in a warm, safe, nurturing atmosphere where we can share concerns, frustrations, information and resources.

The Caregiver Support Group is sponsored by The Gathering Together, which provides a comfortable home where people can spend their final days in dignity and peace, surrounded by loved ones. Our founder, Rita Fiorentino, says "We created a safe environment that is not a nursing home or an institution, where families can be together."

***"Where two or more are gathered in my name, there I am."
-Matthew 18:20***

Because we see the stress that so many caregivers are under we are offering this support group to anyone in the community who might benefit from this time together. Please join us. We hope to see you soon.

We're all just walking each other home. (Rumi)
